OUR LOCATION

Plant Evergreens for Year Around Beauty

Heavy Landscaped Evergreens, Minnesota grown. The following are all balled and burlapped

No landscape is complete without some form of evergreens. These handsome, colorful shrubs and trees provide your home with year around dignity and privacy. You will be particularly grateful during the winter when other trees and shrubs have lost their foliage.

EVERGREENS

Low Growing or Spreading in Growth

BLUE PFITZER JUNIPER—Grows the same as Pfitzer, only blue in color.
18 to 24 inches.....\$7.50

ANDORA JUNIPER—

18 to 24 inches.....\$7.50

PFITZER JUNIPER—Bright green in color, easily trimmed to control size. Valuable for foundation planting and in front of taller plants.

18 to 24 inches.....\$7.50
24 to 30 inches..... 9.50

Upright Pyramidal in Growth

PYRAMIDAL ARBOR VITAE—Rich green in color and slender in growth. Made more compact by trimming. Used in landscape planting.

2½ to 3 feet\$ 7.25
3 to 4 feet 9.50
4 to 5 feet 14.00

BLUE HAVEN JUNIPER

A lighter blue in color; can be trimmed; very attractive. Very easy to grow.

3 to 3½ feet\$11.50
3½ to 4 feet 13.50

WELCHI JUNIPER — Deep blue-green color, new growth emphasizes the upright form.

2½ to 3 feet\$ 9.50
3 to 3½ feet 12.00

STEEL BLUE JUNIPER—Deep blue, very hardy and compact in growth.

2½ to 3 feet\$ 9.50
3 to 3½ feet 12.00

JUNIPER SCOPULORUM KENYONI (Dewdrop)

Steel Blue color, compact grower.

2 to 2½ feet\$ 6.50

CANAERTI JUNIPER—Dark green.

3½ to 4 feet 12.50

WINTER BEAUTY...

Arborvitae

Upright Juniper

Globe

Savin

Spruce

SAVIN JUNIPER—Low spreading, slightly vase shape with deep green foliage. A nice foundation planting.

15 to 18 inches.....\$6.00
18 to 24 inches..... 7.50

MANEYI JUNIPER—A new evergreen usually grown as a spreader, but height can be increased by trimming outside branches back. Blueish green in color; used as a foundation plant.

18 to 24 inches.....\$7.50
24 to 30 inches..... 9.50

PLEASURE AND PRESTIGE . . .

SEEFERT'S HUDSON ROAD NURSERY AND GARDEN CENTER is owned and operated by Mr. and Mrs. Clarence Seefert. We are located on St. Paul's east side on Highway 12 or Hudson Road and White Bear Avenue, only a ten minute drive from downtown St. Paul. Plenty of parking space. We are open from 8:00 A.M. to 9:00 P.M. Visitors are always welcome. Stop in and visit our nursery when our for a Sunday afternoon or evening drive. Telephone PR 1-5181

Globe Form Evergreens

MUGHO PINE—A dwarf compact globe shaped long needle pine. With annual trimming the size and neat mound may be attained for many years.

LAWN PROGRAM

...the *SURE* way to a better lawn

3 GROUND RULES FOR A BETTER LAWN

To get the kind of attractive, green lawn the whole neighborhood will admire, you just have to know how. Here's what to do: (1) Plant the right seed. Scotts seed is weed-free, all perennial, gives an enviable lawn. (2) Give grass the proper food. TURF BUILDER steady-feeds with the balanced, protein-building diet all grass needs to thrive. (3) Do both jobs easily and accurately with the dependable Scotts Spreader.

HALTS

in the early Spring

One application of HALTS with the Scotts Spreader creates a lasting chemical barrier on the soil's surface that curbs Crabgrass as it sprouts all during the season, and keeps it from getting a strangle hold on your lawn. Also forestalls possible damage by root-eating grubs, or other soil inhabiting insects.
